Background and Sponsorship Summary

The James N. Rentas 5K Run/ Walk for Cancer celebrates the life and determination of Jimmy Rentas, who battled colorectal cancer for over seven years with unflinching optimism and dignity.

Jimmy felt fortunate to be in the care of an extraordinary team lead by Dr. Nancy Kemeny at Memorial Sloan Kettering Cancer Center. Dr. Kemeny's expertise in developing new chemotherapy regimens for colorectal cancer enabled her to manage Jimmy's disease while providing him with a quality of life that allowed him to enjoy his time with family & friends.

It is because of researchers like Dr. Kemeny that we can all hope to defeat this terrible disease. All proceeds from the event will benefit Dr. Nancy Kemeny's Pump Research Fund, which is committed to discovering innovative ways to manage & overcome colorectal cancer.
