"Don't be shy! Show them how fabulous you are! This is a great boost for our children." Kelly Sullivan, Radburn PTA President

Benefiting

Our first goal is to build a playground for our children, who deserve to stimulate the physical emotional and sensory skills during recess and after school. Everyone, regardless of age or ability, should spend more time outdoors. This can happen, with the generosity and support of individual donors, who remember what it's like to be a child, and the great joy a playground would bring to our children. We realize that it will take some time raising funds for a playground but believe that the annual event will add a continuous growth in our efforts to succeed in our mission.

Registration Form
