

Lafayette Education and Advancement Foundation, (“LEAF”) of Lafayette , New Jersey .

The mission of the foundation is to further and enhance the comprehensive educational experience of the Lafayette Township Elementary School students by providing funding to our teachers for educational and cultural programs. Our elementary school has approximately 350 students, covering grades pre-K through 8. As a small rural school with such a great grade range, our funds are limited, yet our needs are very diverse. We are striving to provide our children with the programs, technology and resources required for them to stay abreast with children in larger schools. While still a fledgling organization, we have been able to approve a small number of grants, providing smart boards and a virtual museum program.

LEAF is sponsoring its inaugural Cinco de Mayo 5k run, on May 2, 2009 in Olde Lafayette Village in Lafayette New Jersey . We have three levels of sponsorship for this race: Gold \$500, silver \$250 and Bronze \$100.

LEAF is an independent, community-based organization, organized exclusively for charitable and educational purposes. LEAF is a 501(c)(3) nonprofit organization.
