The Interfaith
Food Pantry is a
community of
neighbors helping

neighbors, committed to ending hunger and supporting self-sufficiency. In 2014, we distributed over a million pounds of food, which provided assistance to more than 11,400 low income working people, seniors, the disabled and others in crisis. This was done with the support of our incredible volunteers who donated over 24,000 hrs. of service, our staff and through the many food and financial contributors who made our work possible.
